August 2022

Back to School

As this month is drawing to a close we will be getting back into our regular fall schedule as school officially begins August 1st. Preschool children will be moving to their new classrooms this day. If parents have any questions about which classroom their child will be in feel free to ask the office. Parents of school age children should inform the office as soon as possible if there is any changes in your child's school or bus schedule. Thank you

Monthly Curriculum

This month the children will be focusing on:

Back to School– getting back into the swing of things, the children will be focusing on classroom rules, schedules, and summer memories.

Safety at Home & School– We will be focusing on learning about how the children can practice safety at home and at school.

We Love to Read!- a whole week dedicated to the parts of a book, libraries, authors, illustrators, and our favorite stories.

Pets, Pets, & more pets!- We love pets! Children will learn about all the different types of pets there are & will be able to bring a picture of their pet!

Apple Fun– this week we will be learning about ap-

Singing in and out

In order to maintain the highest level of health and safety for the children, families, and staff we will continue our daily health and temperature checks as you drop off/pick up. Please make sure to stop at the front office to have your child's temperature taken as you enter and exit the facility. Please assist the center in keeping secure and consistent records by signing your child in with signature and temperature EVERY morning and afternoon as this is a requirement of the Department of Social Services. Sign in and out binders will be located just inside the entrance doors.

Kids Adventure Learning Center
