Sunscreen Waivers

As the weather is heating up we would like to remind all parents you are more than welcome to bring in sunscreen for your child. If you would like to do so, please make sure you ask the office for a sunscreen waiver so you can indicate the appropriate application times, and such. **The sunscreen needs to have your child's first and last name written on it.** We will always try our best to encourage the children to drink lots of water and stay hydrated as well as keep them inside on those particularly hot days. We appreciate all your help in keeping the kids dressed appropriately and well prepared for the Summer weather.
