This establishment is an equal

As we enter into these warmer months we are super excited to spend lots of time out in our Outdoor Art and Science center. The children love getting their hands dirty; planting, painting, and experimenting outdoors!

Friendly Reminder: Face Masks & Napping Items

Per the Covid Handbook all children 2 years and up must wear/bring a face mask or face shield to school. We want to do everything possible to help the children and staff stay safe during these uncertain times. Please also remember that napping things must come with your child in a **CLEAR BAG** on the day your child returns to school that week in . If children do not come with a face shield/mask or napping things are forgotten we will not be able to accept the child but they will be able to return with napping things on hand that same day. Let's work together to keep our children safe and healthy.
