September Birthdays

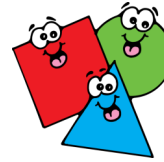

We had a busy couple of weeks getting settle into our new school year routine. We had a few new faces here this year and we continue to grow and look forward to the future in strive to make our school and children the best. We have lots of activities planned for this month and can't wait to share all kinds of new experiences and memories with the children and teachers!

- 9/4 Londen W.
- 9/4 Mason R.
- 9/4 Adam J.
- 9/7 Eleanor M.
- 9/9 Ms. Alejandra
- 9/11 Brandon H
- 9/12 Prince F.
- 9/18 Ahmed B.
- 9/20 Jenny L.
- 9/21 Isabella A.
- 9/25 Ms. Maria
- 9/25 Ms. Estefania
- 9/26 Javier M.

Monthly Curriculum

This month the children will be focusing on:

Apple Fun– as usual we will spend a week focusing on APPLES! Classes will be using the fruit to discuss texture, taste, color, weight, etc. Apples will be counted, sorted, tasted, dissected, and used for painting and crafting. At the end of the week classes will go over math concepts, following directions, and cooperative working by making our own apple pies!

All About Me– during this segment of curriculum teachers will have the children talk about their favorite things, where they live, their families, and other important aspects of self concepts.

My Community– after learning about themselves and their classmates teachers will turn the focus to community members. Each class will go over different jobs in our community and how we all work together.

Healthy Habits– This week we will be learning about all of the habits we should follow in order to keep ourselves healthy, such as, tooth brushing, healthy hygiene, exercise, and excellent nutrition. We will end the week with a fun Jog-A-Thon involving all of our preschoolers.

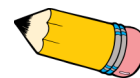

Special Days

9/2 School Closed: Labor Day

- 9/8 Grandparent's Day
- 9/11 Patriot Day
- 9/22 First Day of Autumn
- 9/27 Jog-A-Thon

Welcome Ms. Alejandra...

My name is Ms. Alejandra. I just recently graduated from California State University Dominguez Hills with a bachelors in Child Development. I also received my minor in Chicana/o studies. I worked at a lab preschool site for three years before graduating. During my undergrad

I helped conduct research in adolescent racial/ethnic identity formation in connection to STEM career outcomes. I am currently helping in the infant classroom, as well as preschool and the school age classroom at Kids Adventure. During my free time I like to make baked goods for my friends, family, and I to enjoy. I am looking forward to continuing my journey here at Kids Adventure!

Community Helper Week 9/16-9/20

We are looking for Parent Volunteers for our "Community Week" If you would like to come in and talk about your career to the children please talk to the office to set up a date and time. Thank you!
