December 2024

## 'Tis the Season for Giving!

We would like to thank each and every family member and staff member for giving so generously this past month to our food drive. We are so proud to work at a center where we pride ourselves on not only education, but giving back, and educating the children about the world around us and the importance of helping our community.

This month we will be hosting a Toy Drive for the Salvation Army, for their Toys For Tots program. If you would like to make a donation or be involved in anyway please see the office or your classroom teacher for further information. As a staff we would like to thank all the parents in our center for always being so generous during our class parties, recitals, events, and all throughout the year!

## Monthly Curriculum

This month the children will be focusing on:

**Winter Bears**– this week, the children will talk about different types of bears, hibernation, and even end the week with their very own Teddy Bear Picnic!

**Colors of the Season**– teachers will go over the colors Green, White, Silver, and Gold and relate them to iconic symbols of the holiday season.

**Christmas Around the World**– classrooms will discuss holiday traditions from around the world, and what important influences each country's Holiday has had on the traditions we all know here in America.

**Holiday Celebrations**– the last week of the month will be a short week devoted to celebrating the end of the holiday season, Christmas, Hanukkah, Kwanzaa, and we will end with a New Year's Eve Pre-Party!

**Winter Wonderland**– during the holiday break classrooms will enjoy learning about snow, icicles, snowman, and end the week with Snow Day!

## Reminder...

As a friendly reminder, Flu season is upon us. If your child is exhibiting a fever, cough, running nose, and/or a sore throat please keep them home and monitor them; please seek medical attention if needed. Please note that your child may only return to school when symptoms have fully cleared or a doctor's note has been given to return. May your holidays be filled with joy and the New Year be overflowing with all the good things in life. Happy Holidays from Kids Adventure!
